

## **Black Hole Effect**

Thank you for buying this model pack.

To use the effect, simply drag the prefab, located in the "Prefabs" folder into your scene.

## **Customization**

This pack contains a black hole effect.

## **Rescaling**

The effects can be easily rescaled with the transform scale.

## **Contact Information**

You can contact me here: [msgdi@yahoo.de](mailto:msgdi@yahoo.de). Please include your invoice number.

I always appreciate ratings/reviews on the asset store if you think this pack deserves it. Thank you.
